

A black and white photograph of a woman with her hair in a ponytail, sitting on a bed with her back to the camera. She is looking at a collage of images pinned to the wall. The collage consists of several small, square photographs arranged in a grid. The woman is wearing a dark t-shirt and jeans. The background is a plain wall. In the top left corner, there is a small red rectangular graphic element.

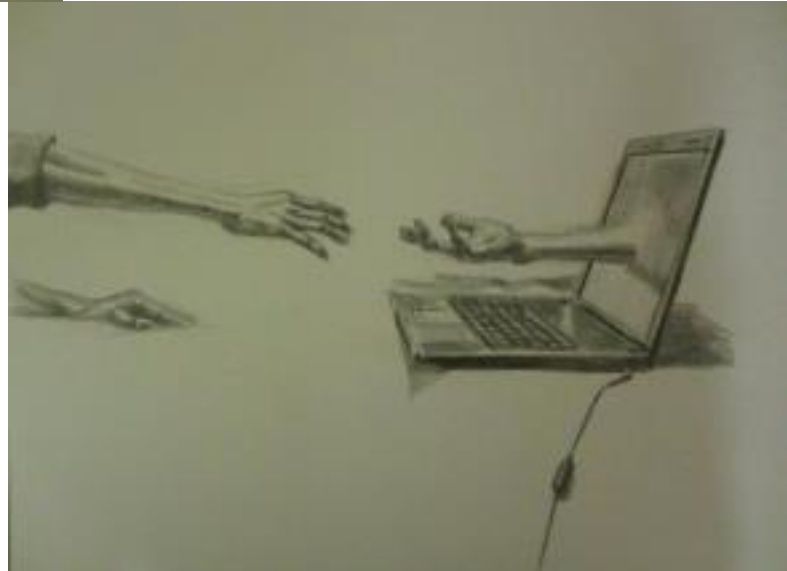

Isolation

Use the starting points in this PowerPoint to begin collecting and drawing your initial resource images for a project on Isolation
