The subjects offered for these qualifications in any academic year may be found in the centre's published prospectus or similar documents for that year. If there is to be a change of specification for the next year, the examinations office must be informed by the September of the next academic year.

Informing the examinations office of changes to a specification's requirements is the responsibility of the SLT and Heads of Department.

Decisions on whether a candidate is to be entered for a particular subject will be taken by Subject Teacher in consultation with the Subject Head of Department and subsequent approval by the Assistant Headteacher (Assessment).

Exam series

External examinations and assessments are scheduled in the summer.

Internal examinations are held under external examination conditions.

Exam timetables

Once confirmed, the Examinations Manager will circulate the exam timetables for internal and external examinations at a specified date before each series begins.

Entries, entry details and late entries

Candidates or parents/carers can request a subject entry, change of level or withdrawal, however, the decision as to whether this is appropriate is made by the SLT and HoD.

The centre does not accept entries from private candidates.

The centre does not act as an examinations centre for other organisations.

Entry deadlines are circulated to heads of department/curriculum via email from the Examinations Manager.

The Examinations Manager will inform awarding boards of estimated entries at the beginning of each academic year.

Heads of department/curriculum will provide entry information to the Examinations Manager to meet JCQ and awarding board deadlines.

Entries and amendments made after an awarding organisation's deadline (i.e. late) require the authorisation, in writing, of the parent/carer and need to be approved by the SLT.

Access arrangements

The SENDCo will inform subject teachers of candidates with special educational needs and any special arrangements that individual candidates will need during the course and in any assessments/ examinations.

A candidate's access arrangements requirement is determined by the SENDCo in discussion with Subject Teachers.

Ensuring there is appropriate evidence for a candidate's access arrangement is the responsibility of SENDCo, CAMHs, Medical practitioner and Subject Teacher.

Submitting completed access arrangement applications to the awarding boards is the responsibility of the Specialist Assessor. The candidate must have signed a Data Protection Notice giving their consent to the processing of the application.

Rooming for access arrangement candidates will be arranged by the Examinations Manager and SLT.

Invigilation and support for access arrangement candidates, as defined in the JCQ access arrangements regulations, will be organised by the Examinations Manager, SENDCo and IONA lead.

Regulations concerning pupils entitled to use a word processor or reader software can be found in the school's Word Processor Policy (Examinations).

Contingency planning and resilience arrangements

Contingency planning for examinations administration is the responsibility of the Examinations Manager, SENDCo and SLT.

Contingency plans are available in the school's Examination Contingency Plan and are in line with the guidance provided by Ofqual, JCQ and awarding organisation.

St Gregory's Catholic High School follows the regulators' guidance on ensuring resilience in the qualifications system. Formal mock assessments are held for every subject before the summer examinations in order to gather evidence of candidate performance in line with the published guidance. In the unlikely event that the government determines that examinations cannot go ahead, St Gregory's Catholic High School keeps evidence of candidate assessment performance to enable alternative methods of awarding grades, in line with the guidance published by Ofqual here: [Guidance on collecting evidence of student performance to ensure resilience in the qualifications system - GOV.UK](#)

Invigilators

External staff will be used to invigilate examinations. These invigilators will be used for internal examinations and external examinations.

Recruitment of invigilators is the responsibility of the Examinations Manager; however, due to the casual nature of the employment a formal interview is not appropriate. References are requested and contract paperwork is completed.

Securing the necessary Disclosure Barring Service (DBS) clearance for new invigilators is the responsibility of the Headteacher's PA working with the DSL.

- Has a process in place to demonstrate the receipt, secure movement and secure storage of confidential exam materials within the centre
- Ensures a log is kept at the initial point of delivery recording confidential materials received and signed for by authorised staff within the centre and that appropriate arrangements are in place for confidential materials to be immediately transferred to the secure storage facility until they can be removed from the dispatch packaging and checked in the secure room before being returned to the secure storage facility in timetable order
- Carefully checks question paper packets when they are removed from the dispatch packing and keeps a log of the check
- Ensures the secure storage facility contains only current and live confidential material (ensuring that past examination question papers or mock examination papers are not kept in the centre's secure storage facility)
- Ensures that examination stationery, e.g. answer booklets and formula booklets are stored in the secure room
- Ensures the integrity and security of any electronic question paper is maintained during the downloading, printing and collating process (ensuring printing is carried out in an area that can be controlled to prevent unauthorised personnel accessing live assessment materials and ensuring only authorised members of centre staff have access to electronic question papers)

Exam days

The Examinations Manager will book all exam rooms after liaising with other users and make the question papers, other exam stationery and materials available for the invigilator.

Site management staff is responsible for setting up the allocated rooms, and will be advised of requirements one month in advance.

Subject staff are not permitted in exam venues for formal external examinations. Any staff present must be in accordance with the rules defined by JCQ concerning who is allowed in the exam room and what they can do.

There will be a card on each exam desk that will show a candidate's name, picture and candidate number. This will assist invigilators and senior leaders in verifying the identity of candidates.

In practical examinations, subject teachers' availability will be in accordance with JCQ guidelines.

The Examinations Manager will provide an exam room incident log in all exam rooms for invigilators to record any incidents or irregularities.

Exam papers must not be read by subject teachers or removed from the exam room before the end of a session. Papers will be distributed to heads of department in accordance with JCQ's recommendations once all candidates have completed their exam and every paper has been accounted for by the Examinations Manager.

Food will not be allowed in an exam unless it has been pre-approved with the Examinations Manager (for example, for a diabetic pupil). Any drinks must be in a clear bottle with the label removed.

After an exam, the Examinations Manager will arrange for the safe dispatch of completed examination scripts to awarding boards.

Candidates

The Examinations Manager will provide written information to candidates in advance of each exam series. A formal briefing session for candidates is given by the Pastoral Head of Year in Collective Worship before the exam season begins.

The centre's published rules on acceptable dress and behaviour apply at all times. Candidates' personal belongings remain their own responsibility and the centre accepts no liability for their loss or damage.

At St. Gregory's Catholic High School, the majority of candidates will sit their examinations in the Sports Hall. As per JCQ regulations, a candidate may only take their examinations in a smaller environment away from the main examination room where they have "an established difficulty".

In an exam room candidates must not have access to items other than those clearly allowed in the instructions on the question paper, the stationery list, or the specification for that subject. This is particularly true of mobile phones and other electronic communication or storage devices with text or digital facilities. Any precluded items must not be taken into an exam room.

Disruptive candidates are dealt with in accordance with JCQ guidelines. Candidates are expected to stay for the full exam time at the discretion of the Examinations Manager (discretion may be given in the event sickness or a family emergency for example)

Candidates who leave an exam room must be accompanied by an appropriate member of staff at all times. If a candidate leaves an exam room unsupervised, they will not be allowed to return and it will be reported to the awarding board.

The attendance and pastoral teams will contact any candidates who are late for their examinations. Under JCQ regulations, a candidate will be considered very late if they arrive more than one hour after the awarding body's published starting time for an examination which lasts one hour or more (i.e. after 10.00am for a morning examination or after 2.30pm for an afternoon examination), or if they arrive after the awarding body's published finishing time for an examination that lasts less than one hour. The Examinations Manager has to notify the awarding board of a very late arrival, and will inform the candidate that their script may not be accepted.

If a candidate is absent for their exam, the Examinations Manager will explore the possibility of applying for special consideration if the reason for absence is genuine and meets special consideration criteria.

Exam Clashes

In the event of exam clashes, the Examinations Manager will be responsible as necessary for supervising escorts, identifying a secure venue and arranging overnight supervision. Overnight supervision arrangements must only be applied as a last resort and once all other options have been exhausted.

Special consideration

Should a candidate be unable to attend an exam because of illness, suffer bereavement or other trauma, be ill or otherwise disadvantaged or disturbed during an exam, then it is the candidate's responsibility to alert the centre's SLT and Examinations Manager to that effect.

The candidate must support any special consideration claim with appropriate evidence within 2 days of the exam.

The Examinations Manager will make a special consideration application to the relevant awarding board ~~within 2 days of the exam~~ before the board's published deadline.

Internal assessment

It is the duty of heads of department to ensure that all internal assessment is ready for dispatch at the correct time. The Examinations Manager will assist by keeping a record of each dispatch, including the recipient details and the date and time sent.

Marks for all internally assessed work are submitted to the awarding boards by the Examinations Manager. The Examinations Manager will inform staff of the date when appeals against internal assessments must be made by. Any appeals will be dealt with in accordance with the centre's Internal Appeals Procedure.

Teaching staff must not use artificial intelligence (AI) as the sole means of marking candidates' work.

Results

Candidates will receive individual results slips on results days in person at the centre.

Arrangements for the centre to be open on results days are made by the SLT.

The provision of the necessary staff on results days is the responsibility of the SLT.

Enquiries About Results (EARs)

Enquiries about results include clerical checks, reviews of marking, reviews of moderation and appeals. EARs may be requested by centre staff or the candidate following the release of results. A request for a review or clerical check requires the written consent of the candidate, a request for a re-moderation of internally assessed work may be submitted without the consent of the group of candidates.

All decisions on whether to make an application for an EAR will be made by SLT and Head of Department.

If a candidate's request for an EAR is not supported, the candidate may appeal and the centre will respond by following the process in its Internal Appeals Procedure (IAP) document.

All processing of EARs will be the responsibility of the Examinations Manager following the JCQ guidance.

Access to Scripts (ATS)

After the release of results, candidates may ask subject staff to request the return of written examination papers within 28 days of the receipt of results.

Centre staff may also request scripts for investigation or for teaching purposes. For the latter, the consent of candidates must be obtained.

Processing of requests for ATS will be the responsibility of the Examinations Manager.

Certificates

Candidates will receive their certificates:

- in person at the centre
- collected and signed for
- certificates can be collected on behalf of a candidate by third parties, provided they have written authority from the candidate to do so, and bring suitable identification with them that confirms who they are

The centre retains certificates for a minimum of 12 months from the date of issue. After 12 months certificates can be confidentially destroyed in line with JCQ guidance.

Escalation process

In the event of the absence of the Head of Centre or the member of senior leadership with oversight of examination administration, responsibility for implementing JCQ regulations and requirements relating to examinations will be escalated to the Assistant Headteacher (Assessment) who will work closely with the Examinations Manager.
