Learning Resource Centre

Welcome to the Learning Resource Centre.

Our attractive, busy and lively Learning Resource Centre is an important and integral part of the school, enhancing and enriching not only learning but also your leisure time.

It is an ideal research and work area for classes or individual study. Students are taught research skills and Library staff work alongside teachers, supporting learning.

It caters for all abilities and enthusiastic staff are always on hand to help with enquiries and to offer advice to pupils on their selection of resources, both for research and for reading for pleasure.

The Learning Resource Centre (LRC) offers over 20,000 off the shelf resources including books, DVDs, and magazines.

It follows an open plan layout and is divided into three areas:

ICT Suite with 16 computers
Study area
Quiet area.

Pupils also have access to:

- Qualified, knowledgeable and dedicated staff
- Comprehensive LRC induction and ongoing assistance
- Extensive range of fiction
- Research sessions
- Film Club
- Chess and Games at lunchtime

Throughout the year the LRC will focus on National Reading Initiatives to foster an ethos of reading for pleasure.

For example:

National Poetry Day
World Book Day
Author birthday celebrations
and many more ...

The LRC also subscribes to an e-book platform. All students are instantly members of the platform, and once they download the App have access to over 1400 e-book titles which they can read on their electronic devices. A wonderful way to keep reading wherever they are!
