Dear Parents / Carers

RE: National Tutor Programme with My Tutor

We are delighted to be able to offer additional support for your child in order to help them to reach their potential in core subjects. This programme is designed to offer bespoke teaching to support your child in consolidating their understanding and refining their skills in English and Maths. We have used recent data collections from your child's teachers to identify that they are currently not working at their expected level in one or both subjects.

Your child will benefit from 12 sessions (one per week) of personalised tutoring in a group of no more than three which will take place after school through a secure online portal. Each tutor will cover the exact topics and skills that our teachers have identified and communicated to My Tutor to make best use of the time in order for your child to progress.

The start date for St Gregory's pupils will be the week commencing **Monday the 24th of April**.

We will send out further information confirming the day that your child will be able to access this additional support.

The sessions will take place after school from **3:30pm-4:30pm**, so they do not replace the lessons from your child's subject teachers. These sessions will complement school lessons by covering specific topics and facilitating an environment where your child can benefit from a package of support in a personalised environment, as it will be one teacher to just three pupils.

These sessions can easily be accessed online, at home, using the **My Tutor website**. Log in details will be sent out nearer the time via parent email. Your child will need a laptop or computer, internet access and a microphone headset in order to fully take part. However, if your child needs any technological support to access these sessions, we will be able to offer an after school provision in our computer suite. Please contact me as soon as possible if you require this provision, as we have very limited spaces.

Please note that all sessions are recorded for safeguarding reasons.

If you have any questions or queries regarding this programme, then please contact me at school at: ncaldwell@stgregoryshigh.com

Yours sincerely

Mrs Caldwell
