

# Year 6 Poetry Challenge

## Book Review in a Poem!

### **YOUR CHALLENGE AIMS:**

- ❖ Think about your favourite book
- ❖ Think about the genre, plot, characters, themes etc...
- ❖ Why do you love this book? Is it the author's ability to transport you to a magical land? Could it be the sudden twist in the tale, or is it the powerful language used throughout?
- ❖ **Review your favourite - book in a poem!**
- ❖ Consider the different forms of poems that you have learnt in your English lessons - which one will you use?
- ❖ Write your own poetic book review using imagery, rhythm or rhyme (but remember poems do not have to rhyme)
- ❖ Perform the poem in your English class (only if you want an extra challenge!)
- ❖ Work independently, creatively and be original!

## **A Reading Challenge**

### **LRC Activities**

Now that you have completed the challenge, why not share your thoughts on your favourite book with other pupils? Write a 'book bite' for the LRC or write a bronze review for St. Gregory's 'The Net' in preparation for Year 7.
