Build upon previous learning and experiences to develop our young people's knowledge and understanding of themselves, society and the world they live in

Ensure that young people are socially developed and equipped with the personal skills necessary to embrace the next stage in their lives.

Challenge misconceptions, intolerance, prejudice and discrimination on the grounds of gender, race, creed, sexual orientation and/or disability as per the Equality Act 2010 ensuring that ALL are recognised as part of God's creation thereby encouraging them to challenge these intolerances in our society.
