Uniform Policy

Our School Mission Statement clearly states that as a community we seek to “set an example of service, as Jesus did, and in so doing fulfil the high aspirations we have for each of our members and foster the fullest spiritual, academic and personal development of our students.”

Introduction

St Gregory’s Catholic High School believes school uniform plays a valuable role by: encouraging identity with, and support for, our school ethos; setting an appropriate tone; instilling pride; supporting positive behaviour and discipline; ensuring students of all backgrounds feel welcome; protecting students from social pressures to dress in a particular way, and nurturing cohesions and promoting good relations between different groups of students. We firmly believe that our uniform policy supports effective learning and teaching. The Governing Body supports the Head Teacher and the staff in maintaining the high standards of appearance expected by all students.

This policy is written in accordance with:

- The Education and Inspections Act, 2006
- The Education Act, 2011
- The Human Rights Act, 1998
- The Equality Act, 2010
- DfE School Uniform Guidance (March 2011/reissued June 2018)

Purpose

The purpose of this policy is to ensure that all students at St. Gregory’s Catholic High School demonstrate a ‘commitment to excellence’ by ensuring that they wear their school uniform with pride. Uniform appearance should be smart, clean, neat and tidy. Students are to travel to and from school in the correct uniform and wear it appropriately during the school day and at all school events, including those where the pupil is representing the school off site, giving a clear message that they are proud of belonging to St. Gregory’s. Our expectations remain throughout a child’s time at our school, including for Year 11 during public examinations, revision sessions and all in-school interventions until their last examination.

Every student at St. Gregory's wears school uniform in order to prepare them for expectations in the world of work. Co-operation and firm guidance from parents/carers are sought to ensure that students attend school correctly dressed. Admission to our school involves acceptance of the uniform code.

This policy has been created with health and safety, value for money and practicality at its heart. It has been designed to ensure students wear clothing conducive to an effective learning and teaching environment, including PE lessons and sporting activities. Students identifying as a member of the opposite sex are able to adapt within our expected uniform requirements.

Any temporary amendments to our uniform policy through injury e.g. broken leg and unable to wear formal trousers, will be considered on an individual basis in consultation with the students' Pupil Progress Manager, Deputy Head Teacher (Pastoral) and Health and Safety Officer (if needed). All such requests will need to be supported with appropriate medical evidence.

Families experiencing financial difficulties should contact school for advice.

St Gregory's Catholic High School does not amend the uniform requirements regularly and will take into account the views of parents/carers and students when considering a change to the uniform. Reminders of expectations and requirements are regularly communicated, are on our website and in students' Learning Organisers. All DfE guidance would be considered when looking at a change to our uniform.

St Gregory's Catholic High School endeavours to resolve all uniform complaints and challenges in accordance with the school's Complaints Procedure Policy which is available on the website or a paper copy will be issued on request.

When a complaint is received, we will work with parents/carers to arrive at a mutually acceptable outcome.

These will include staff (teaching, non-teaching and support) signatures on Respect Cards leading to sanctions which will include: detentions; supervision; phone calls to parents/carers; time spent in the Columba Room, our Internal Exclusion Facility, including lesson, break and lunch times, if deemed necessary by the Pupil Progress Manager/Senior Leadership Team. The application of sanctions will affect eligibility for our end of term/year Rewards.

- Students will be required to provide a note from home if they are unable to fulfil the requirements of the school uniform which states when the uniform will be corrected. They will, if appropriate, be given the correct uniform to wear as directed by their Pupil Progress Manager/ Pastoral Support Manager. Rewards

St Gregory's staff are proud of students who support and promote the school through wearing of correct uniform. Students are congratulated informally on a daily basis for adhering to regulations and more formally in Year Group Collective Worship. Students who keep 'clean' Respect Cards are entered into a prize draw each half term; rewards can include money, vouchers, chocolate. Respect Card statistics are reported in 'The Net', contribute to termly reward eligibility and are presented at Governor's Community meetings. Uniform standards are also included in our SEAL Award criteria when peers/staff nominate students for the yearly awards.

Parents/Carers

Parents/Carers support is crucial in maintaining the high standard of uniform and appearance at our school. It is the parents/carers responsibility to clarify on expectations before taking action/giving consent/buying items which contravene our school rules. 'Back to School' advertisements do not necessarily mean 'Back to St. Gregory's'. Clarification can be sought from your child's Pupil Progress Manager, who can also assist if there are specific issues regarding the buying of appropriate clothing/footwear.

We expect Parents/Carers to support the sanctions which will be applied when students do not follow the uniform code/policy.

NB: We do ask parents/carers to ensure that all property and clothing is clearly labelled with the student's name.

Staff Roles and Responsibilities

All school staff have a responsibility to remind students of our high expectations, use Respect cards to detail infringements and report concerns to named staff.

- Form tutors set the scene for the day and are responsible for checking all students in their Form Group, addressing concerns and reporting issues to the relevant Pastoral Support Manager who will liaise with the appropriate Pupil Progress Manager.
- Subject teachers are expected to check uniform/general appearance as pupils enter the classroom, issuing reminders, addressing issues and reporting concerns to relevant Pupil Progress Manager.

Trips/Extra-Curricular/ Visits

All uniform rules must be adhered to according to our policy. Sanctions will apply and include non-attendance at the event.
