Dear Parents and Carers

Please find the arrangements for your child to access their learning whilst working from home on **Thursday 27th April and Tuesday 2nd May 2023.**

Below are the details on how to access the planned lessons and resources via the Class Charts Announcements app. Where a lesson is using Seneca as part of the resource, information is provided to support pupils in accessing Seneca.

All the lessons are uploaded to **Class Charts Announcements** where the lesson is clearly marked for that particular period of the day.

Pupils have had access to Class Charts since Year 7, but if for any reason they have forgotten their Class Charts code, their Pastoral Support Manager and Pupil Progress Manager have been checking with each form that all pupils have their codes. Pupils have also revisited using these software packages in their computing lessons. In the event that your child forgets their code, please contact your child's pastoral support manager who will be able to help your son / daughter access Class Charts and their learning.

Pupils can access Class Charts and Seneca from the RM Unify portal. www.rmunify.com

Seneca: Pupils just need their school email address and if they have forgotten their Seneca password, they can click on "forgotten password" and follow the link sent to their school email address. Pupils will complete four lessons of an hour and 15 minutes. Extra time has been allocated to support them with their independent learning, and also allow for rest breaks from screen time.
