

Privacy notice for Referees

Privacy notice – how the school uses referees' information

What categories of information are processed?

The categories of personal information that we process include the following:

- Personal information – e.g. name, contact details and address
- Information relating to your job role – e.g. company/institution name, job title and responsibilities
- Assessment of a prospective employee's character – e.g. how long you have known them and, where appropriate, their performance
- Your relationship to the applicant – e.g. former employer, relative or other

This list is not exhaustive – to access the current list of information that the school processes, please see the school's **Data Asset Register**, which can be found on the school website.

Why do we collect and use your information?

We collect and use your information for the following reasons:

- To facilitate safer recruitment
- To review our recruitment performance

Under the UK GDPR, the legal basis/bases we rely on for processing personal information for general purposes are:

- For the purpose of facilitating safer recruitment in accordance with the legal basis of public task.

How do we collect your information?

We collect your personal information via the following methods:

- Reference Pro-forma
- Questionnaires

The collection of data via referees is essential for the school's operational use and to achieve safer recruitment. The information you provide us with is requested on a voluntary basis. The information we collect from you is kept to a minimum in order to avoid overly burdensome reference checks and to respect your privacy. To comply with the UK GDPR, we will inform you at the point of collection whether you are required to provide certain information to us or if this is optional.

How do we store your information?

We create and maintain a file for each reference received. The information contained in this file is kept secure and is only used for purposes directly relevant to ensuring that a reference is satisfactory.

Your personal information is retained and disposed of in line with the school's **Records Management Policy**, which can be found on the school website.

Who do we share your information with?

Data obtained via a reference form will only be shared with those who are involved in the recruitment process. The school will not share data with anyone who has no reason to access it, including the person for whom the reference is for.

Why do we share your information?

We do not share information about you with anyone without your consent, unless the law and our policies allow us to do so.

Any information we share with other parties is transferred securely and held by the other organisation in line with their data security policies.

What are your rights?

You have specific rights to the processing of your data; these are the right to:

- Request access to the information we hold about you.
- Ask to correct any incomplete or inaccurate data.
- Withdraw your consent to process your personal data at any time.
- Request the deletion or removal of personal data where there is no compelling reason for the continued processing.
- Object to direct marketing (including profiling) and processing for the purposes of scientific and/or historical research and statistics.
- Not be subject to decisions based purely on automated processing where it produces a legal or similarly significant effect on you.
- Complain to the ICO.

If you want to request access to the personal information we have about you, please contact Mrs Field, the Data Protection Officer at the school on 01925 574888.

If you are concerned about the way we are collecting or using your information, please raise your concern with Mrs Field (DPO) in the first instance. You can contact the ICO at <https://ico.org.uk/concerns/>.

How to withdraw consent and lodge complaints

Where our school processes your personal data with your consent, you have the right to withdraw your consent at any time.

If you change your mind or are unhappy with how our school uses your personal data, you can let us know by contacting Mrs Field (DPO) on 01925 574888.

Updating this privacy notice

We may need to update this privacy notice periodically if we change how we collect and process data. We recommend that you revisit this privacy notice periodically.

How can you find out more information?

If you would like to discuss anything in this privacy notice, please contact Mrs Field (DPO) on 01925 574888.

If you require further information about how we store and use personal data, please visit our website, or download our [**Data Protection Policy**](#) and [**Records Management Policy**](#) from the school website.
